The story

This is a portrait of my muse in an apartment in Prague. The window overlooked the surrounding rooftops and an old courtyard enclosed by tall buildings. Inside were a wooden wardrobe and an enormous wooden bed.

At home, I now have a beautiful Atlantis set from Prague, more than sixty years old, along with a few other finds.

The painted figure meets a piece of paper and a three-dimensional eye. Close-ups reveal its shadow, paint marks and the small signs around the figure.
